

REMARKS

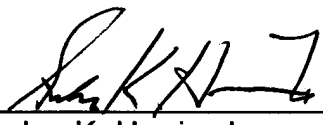

By this Supplemental Amendment, the correction to the Title Page previously addressed via a Certificate of Correction has been incorporated into the Title Page. Additionally, claims 16-24 are resubmitted in underlined form as originally presented.

Enclosed herewith is a Supplemental Declaration For Reissue Patent Application To Correct "ERRORS" Statement (37 C.F.R. §1.175) executed by the sole inventor.

This submission is believed to place this case in condition for reissue.

Respectfully submitted,

Dated: August 1, 2006
